Jun '17 - Present

- Develop and maintain responsive websites utilizing Drupal and WordPress, ensuring high performance and excellent user experience across multiple devices, with strict adherence to WCAG 2.1 compliance for accessibility.
- Design visually appealing and informative Environmental, Social, and Governance (ESG) reports, enhancing corporate transparency and stakeholder engagement.
- Create engaging, brand-aligned email templates for monthly newsletters, managing the full cycle from design through development to deployment.
- Collaborate with cross-functional teams to gather requirements, refine designs, and deliver custom solutions tailored to client needs and preferences, with a continuous focus on maintaining accessibility.
- Conduct user experience testing and feedback sessions to identify areas for improvement in website accessibility, optimizing navigation and interface.
- Implement best practices in web development and design, including SEO optimization.
- Continuously update and iterate on design elements and coding practices to keep up with industry trends and technological advancements.
- Train clients on how to effectively use and manage their new websites, providing comprehensive guidance on content management systems, SEO best practices, and ongoing site maintenance.
- Lead onboarding and training sessions for new hires in the development team, fostering a collaborative work environment and accelerating their acclimatization to company processes and standards.

Graphic Design Freelance
S.T.R.O.N.G. Youth Inc, Uniondale, NY

Jun '16 - Jun '18

- Design compelling social media graphics tailored to enhance online engagement across platforms such as Facebook, Instagram, and Twitter, aligning with the non-profit's mission and communication strategy.
- Create visually striking graphics for various events, including fundraisers, community outreach programs, and informational webinars, to boost attendance and visibility.
- Manage the creation and distribution of digital content, ensuring consistency in branding and messaging across all public-facing materials.
- Offer strategic advice on marketing trends and graphic design innovations to help the organization stay ahead in a competitive non-profit sector.
